What do you like to do  
when it snows?

When it snows we like to  
have a snowball fight.

When it snows I like to  
make snow angels.

When it snows I like to  
build a fort.

When it snows I like to  
make footprints.

When it snows I like to  
skate on the ice.

When it snows I like to  
ride my toboggan.

When it snows I like to  
sing and dance.

When it snows we like to  
build a snowman.

When it snows we like to  
stay warm.
